Objective and Investment Policy

The Sub-Fund seeks to offer investors capital growth through diversification of its investments over all categories of assets and a policy of following a 'value' approach. To pursue its goal, it invests two-thirds of its Net Assets in equities, Equity-linked Instruments and bonds without restriction in terms of market capitalisation, geographical diversification or in terms of what part of the assets of the Sub-Fund may be invested in a particular class of assets or a particular market.

Risk Indicator (Source : Fund Admin)

Lower Risk

Higher Risk

The SRI represents the risk and return profile as presented in the Key Information Document (KID). The lowest category does not imply that there is no risk. The SRI is not guaranteed and may change over time. The risk indicator assumes you keep the product for 5 years. The summary risk indicator is a guide to the level of risk of this product compared to other products. It shows how likely it is that the product will lose money because of movement in the markets or because we are not able to pay you.

Dividend information

Quarterly dividends will be distributed on the last Business Day of February, May, August and November of each financial year. Monthly dividends will be distributed on the last Business Day of each month. Dividend may be distributed out of interest income and/or capital gains and (in the event that interest income and/or capital gains are insufficient) out of capital attributable to the relevant share class / class. Investors should note that the declaration and/or payment of dividend (whether out of interest income, capital gains and/or capital) may have the effect of lowering the net asset value of the relevant share class / class. Past payout yields and payments do not represent future payout yields and payments.
