JING **CHEN**
INVESTMENT ANALYST

Joined Amundi US: 2018
Investment Experience Since: 2017

Jing Chen is an Investment Analyst on the Insurance-Linked Securities (ILS) team at Amundi US. In this role, she is responsible for performing investment analysis on all formats of ILS with a focus on 144A Cat Bonds and Industry Loss Warranty (ILW). She supports the portfolio construction process, monitoring valuation, security settlements and cash flows.

Jing started at Amundi US in 2017 as an intern, moved to an Investment Associate position in 2018, and promoted to Investment Analyst in 2022. Prior to joining Amundi US, Jing worked in various positions across diverse industries.

Jing received her B.S. in Biochemistry from Fudan University in Shanghai, China in 2000.
