Attention! Retirement plan investors:

If you are planning on reinvesting assets sold from a retirement plan, please note that the IRS rules governing retirement plans will apply. If you are attempting an indirect or 60-day rollover, please note that certain distributions from retirement accounts are not eligible for rollover. A designated rollover contribution must be reinvested into the eligible account within 60 days of your receipt of the original withdrawal. In addition, please note you may only roll over one IRA distribution received by you into an IRA within any 12-month period. As Amundi US cannot provide tax advice, please consult with your financial professional or your qualified tax advisor before attempting an indirect or 60-day rollover.

Please Note:

Purchases pursuant to the reinstatement privilege are subject to limitations on investor transactions, including the fund's minimum investment requirement and the fund's excessive trading policy, which limits the purchase of the fund's shares within 30 calendar days of redemption (90 days for the Pioneer High Yield Fund and Global High Yield Fund). Please review the fund prospectus (or prospectuses) for more detail on these policies.
